Jurgen's Whiskyhuis

## *Pop-up Store Middelkerke*

*Aangezien Jurgen's Whiskyhuis heel veel positieve reacties en meermaals de vraag om toch langer aan de kust te blijven heeft ontvangen, heb ik besloten om de pop-up store ook nog tijdens de maand oktober open te houden.*

*Om dit verlengd verblijf te vieren krijg jullie bij de pop-up store in de Kerkstraat 44 in Middelkerke tijdens het weekend van 3 en 4 oktober een gratis bijhorende flesje tonic per aangekochte gin of 50% van uw whisky degustatie terugbetaald bij aankoop van de fles die je geproefd hebt.*
